

Ministry Experience Outlines

Featured Speaker—Pastor Tim & Cindi Kuhn, Faith at Newtown, CT

Tim and Cindi have been married for 41 years. They met in Bible college. They have two children: Stephanie who is married to Jason Bruns, and Mitch who is pastor of Redeemer City Church in Tampa. They greatly enjoy their five grandchildren whenever God allows them to visit Florida.

They have ministered in Sandy Hook and Newtown, Connecticut for a little over eleven years. They left their home church in Sellersville, Pennsylvania after being on staff for twenty nine years. Cindi taught kindergarten in the church run Christian Day School, and Tim was the Associate Pastor when God called them to Connecticut.

Faith at Newtown was started by Tim and Cindi with one family that was living in Newtown. Tim had disciplined this man every Friday in his church office. Mike and his family due to work relocated to Newtown, Connecticut. It was through that friendship that the Lord placed the burden on Tim's heart to go and start the church. Their passion is to evangelize and disciple people in the word of God. They have ministered in the community of Newtown, Connecticut which is predominately Roman Catholic.

Featured Missionaries—Marc and Marc Szabo

Marc and Mandy Szabo were connected to Lakeside during high school and college years. They were married in 2011. Marc is a software developer and Mandy is a nurse. After helping lead the young adult ministry, they were sent by Lakeside to The Southern Baptist Theological Seminary for further education. Marc completed an MDIV in Christian Ministry and Mandy an MA in Biblical Counseling. In 2019, Marc and Mandy with their two daughters, Mabel & Betsie, will depart for Central Asia with the desire to plant a healthy local church.
